# AN OPPORTUNITY TO MAKE A DIFFERENCE...

THE FOLLOWING INFORMATION PROVIDES DETAILS ON THE 2 DIFFERENT MATCHING DONATION OPPORTUNITIES AND THE VARIOUS PROJECTS WE HOPE TO ACCOMPLISH THROUGH EACH ONE. THE ASTERISKS INDICATE ITEMS THAT ARE THE TOP PRIORITIES. ALL LISTED COSTS ARE HALF OF THE TOTAL COST OF EACH PROJECT, WHICH THE ORIGINAL DONORS WILL THEN MATCH TO COVER THE TOTAL COST. WE KNOW YOU HAVE MANY OPTIONS TO GIVE TOWARDS AND WE ARE SO GRATEFUL FOR YOUR CONTRIBUTION TO NEW HOPE UGANDA!

## Staff Standard of Living

A tremendous matching fund donation of **\$60,000** was given to New Hope for the purpose of **improving the standard of living for our indigenous staff** at Kasana and Kobwin Children's centers through development projects that will bring much needed **improvements to staff homes, increase staff salaries, provide funds for training, and address infrastructure needs** that affect daily life. The staff of New Hope is perhaps our greatest asset and we are so grateful to be able to give back to them through this gift as this is an area not often specifically funded. In Uganda the **cost of living is rising quickly** and we are losing quality teachers and other staff to higher paying jobs elsewhere, particularly government jobs. It is becoming more and more difficult to pay staff appropriately and maintain aging homes.

- **\*Staff Salaries Increase:** This will help us deal with the above mentioned staff salary crisis and move towards a more appropriate salary structure.
- **Staff Training/Retreat Expenses:** Leadership and professional skills training.
- **Replacing window screens:**  $\$75 \times 50 = \$3,750$
- **New Paint:**  $\$50 \times 50 = \$2,500$
- **Repairing worn out floors:**  $\$200 \times 20 = \$4,000$
- **Fixing cisterns and gutters:**  $\$250 \times 20 = \$5,000$
- **Upgrading kitchen and storage facilities:**  $\$250 \times 20 = \$5,000$
- **Bat Removal and sealing:**  $\$50 \times 20 = \$1,000$
- **Install and repair gravity fed running water systems:**  $\$250 \times 30 = \$7,500$
- **Solar Lights:**  $\$350 \times 30 = \$10,500$

## Musana Camps

A generous matching fund gift of **\$100,000** was also given to Musana Camps, our new camp & conference center ministry located on the shores of Lake Victoria. This money has been designated towards **camp development projects**, which will enable us to finish developing the initial rustic camp site we are now using for our programs and move closer to becoming **operationally self-sufficient**. It will also allow us to bring much needed development to our surrounding community and build stronger relationships.

- **\*Land Purchase Process: \$40,000** - This will finish compensating squatters living on our land and totally complete the land purchase process.
- **\*Housing: Staff Housing: \$21,500** - There is a serious need to provide for our growing staff and we initially plan to build 2 staff homes.
- **\*Safari Tents/Guest Housing: \$1,666 x 3 = \$5,000** - This raises our guest capacity to over 60, and includes a concrete pad for each safari tent.
- **\*Kitchen/Store Room: \$8,150** - The camp needs an actual kitchen for food preparation and storage to serve our guests. Included in this project is also kitchen equipment and appliances, as well as storage rooms.
- **\*Latrine/Shower Building: \$1,500** - Much needed facilities to accommodate growth. 4 composting latrine stalls and 2 shower stalls.
- **Clinic: \$7,000** - Efforts are already underway to build a community clinic on the camp property as there is no health care in the area. This clinic will serve both the surrounding communities and camp staff/guests. The listed cost is for a basic building, generator, refrigerator, shelving, cabinets, etc.
- **Enterprise Development: \$3,000** - These projects will subsidize monthly staff salaries and much of our basic operational expenses: Fishing Enterprise: \$750 (2 boats and equipment), Cattle Enterprise: \$1,250 (To start a beef business), Vanilla Enterprise and Cash Crop Garden Expansion: \$1,000.
- **Construction Equipment: \$10,150.** Compactor: \$1,900; Concrete Mixers: 2 @ \$400/each = \$800; Stone Crushers: 2 @ \$3,000/each = \$6,000; Portable Construction Generator: \$750; Portable Program Generator: \$700
- **Tipper (Dumprtruck): \$12,000** - Fundraising for this critical piece of equipment is already underway, the cost listed will complete the purchase.
- **Low Elements Challenge Course: \$1,500** - For team-building activities.
- **Program Audio/Visual Equipment: \$1,000** - Data Projector & Sound System.
- **Laptop Computer and Software: \$1,000** - Camp currently has no computer or software of its own for administrative usage.
- **Miscellaneous Small Scale Needs: \$8,500** - Mattresses & vinyl covers, linens, towels, pillows, picnic tables, kitchen utensils, waterfront equipment, etc.
